

## W 150 X

Art. No. 9048 – 4 Ω

**15 cm (5,9") Tieftöner** mit robuster Polypropylen-Membran. Leistungsstark auch in kompakten Subwooferanwendungen.

**15 cm (5.9") woofer** with robust polypropylene membrane. Powerful also in compact subwoofer applications.

### Technische Daten / Technical Data

|                              |                                   |
|------------------------------|-----------------------------------|
| Nennbelastbarkeit            | 50 W                              |
| Rated power                  | 50 W                              |
| Impedanz                     | 4 Ω                               |
| Impedance                    | 4 Ω                               |
| Mittlerer Schalldruckpegel   | 80 dB (1 W/1 m)                   |
| Mean sound pressure level    | 80 dB (1 W/1 m)                   |
| Übertragungsbereich (-10 dB) | 32-1400 Hz                        |
| Frequency response (-10 dB)  | 32-1400 Hz                        |
| Resonanzfrequenz             | 50 Hz                             |
| Resonant frequency           | 50 Hz                             |
| Anschluss                    |                                   |
| Terminal                     | 5,2 x 0,5 mm (+)/2,8 x 0,5 mm (-) |
| Gewicht netto                | 0,92 kg                           |
| Net weight                   | 0,92 kg                           |
